LOBBYING COMPLIANCE SERVICE

Looking for a compliance service at the state, local, or federal level that provides peace of mind, while reducing the time you spend tracking lobbying registrations and completing reporting paperwork?

With over 25 years of government relations expertise, MultiState knows the ins and outs of lobbying registration and reporting and the differences among all levels of government.

MultiState provides subscribers with personal and company profiles where all lobbying reports are generated and ready for on-line completion.

Ever miss a filing deadline? Not with MultiState.

Who should use our service?

Government relations professionals, general counsel, chief compliance officers, and other professionals concerned about the risks associated with lobbying noncompliance can all benefit from our expertise.

Convenient, Custom, Secure, & Responsive

With the assistance of the law firm, Kelley Drye & Warren LLP, MultiState combined industry expertise and resources to create the ultimate Lobbying Compliance Service.

Our top priority is addressing client needs successfully. As a result, our service provides each subscriber with:

- A personalized online "to do" list complete with forms required by each jurisdiction
- E-mail reminders and notifications about upcoming filing deadlines
- Access to all previously filed submissions
- Updates on new and changing lobbying laws and regulations
- A complimentary subscription to the State Compliance Guide included (value of \$1,500 if purchased separately)

STATE COMPLIANCE GUIDE

The State Compliance Guide is a subscription-only, online database designed to help state government relations professionals better understand the complex rules and regulations of state lobbying laws and campaign finance/PAC contribution limits and is included with the purchase of our Lobbying Compliance Service.
