Confirmations of delivery and receipt of filed registrations and reports

Responsive, personal service from the team behind the site

The screenshot shows a user interface for a lobbying registration and reporting service. At the top, there is a navigation bar with a dropdown menu set to 'NY TO DO LIST' and a 'View: Next 30 days' filter. Below this is a table with columns for 'STATE', 'FORM', 'DUE', and 'STATUS'. The table lists four items: 'Initial Registration Form' (due 7/15/2016, Overdue), 'Employer Registration' (due 8/15/2016, In progress), 'Report of Compensated Lobbyist Activity' (due 8/15/2016, Not started), and 'Employer Registration Form' (due 8/17/2016, Not started). Each row has a red arrow icon pointing right. Below the table is a 'WHAT'S NEW' section with two columns: 'IN LEGISLATION...' and 'IN THE NEWS...'. The 'IN THE NEWS...' section contains a news item dated 8/23/06 about ethics reforms in Oregon, with a link to 'learn more'.

STATE	FORM	DUE	STATUS
N/A	Initial Registration Form	7/15/2016	Overdue
IN	Employer Registration	8/15/2016	In progress
IN	Report of Compensated Lobbyist Activity	8/15/2016	Not started

Ever-Changing Reporting Environment

Today, as the scrutiny surrounding lobbying activity continues to grow, the myriad of lobbying rules and regulations are becoming increasingly complex. Further complicating the challenge, lobbying rules, requirements, and procedures differ greatly between jurisdictions.

To help ensure that your organization remains in compliance with the law and submits accurate reports on time, MultiState Associates Inc. has developed a unique Lobbying Registration & Reporting Service in consultation with the legal experts at Kelley Drye & Warren LLP.

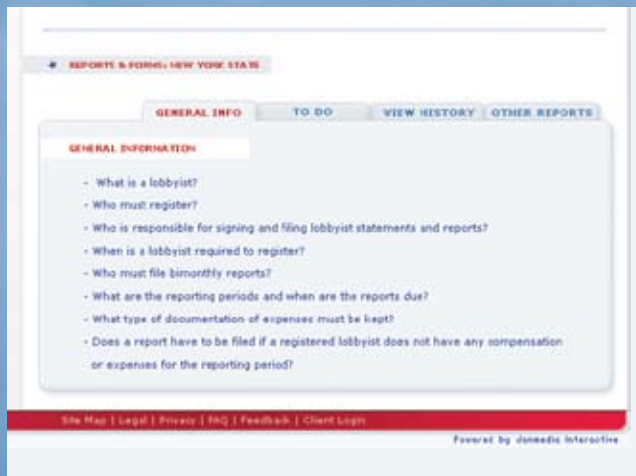

Designed for Companies, Trade Associations, and Other Organizations

Utilizing MultiState’s twenty-two years of first-hand experience completing state and local lobbying reports and supported by Kelley Drye & Warren’s extensive legal knowledge of federal, state, and local compliance law, this service is designed for busy government relations professionals and corporate counsel.

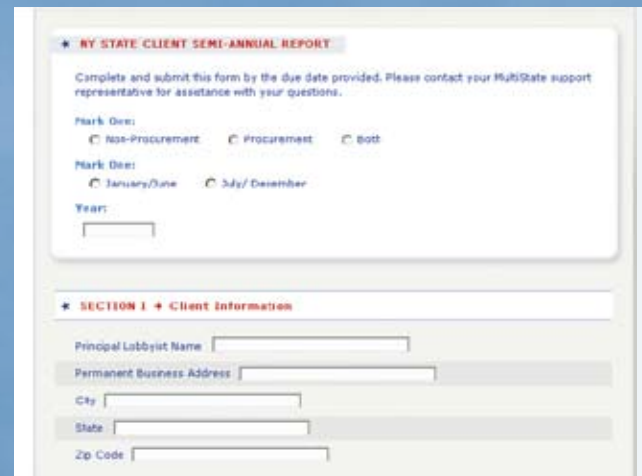

Convenient, Secure Site Backed By Personalized Service and Expertise

Our Lobbying Registration & Reporting Service is an online registration and reporting tool created by the government relations professionals at MultiState Associates. Our service allows clients to:

- Access all of your filing requirements in one centralized location.
- View information and resources separated by jurisdiction.
- Receive a list of all jurisdictions in which you have reports due, as well as status and legislative updates. The online service is customized to provide you with a one-stop resource to manage all your filing requirements.
- Reduce the time you spend tracking registrations and completing reporting paperwork. The site is personalized to provide you with the information you need, when you need it.

Online Forms Customized for Each State's Reporting Requirements

Complete Information on the Unique Reporting Requirements for Each State

- Streamline the filing process. The site is backed by a team of professionals utilizing e-mail alerts and calls, along with online access to help ensure that your reports are filled out correctly and that you meet filing deadlines.

Reporting Process

After you enter data on our website into our easy-to-use, customized, online forms, a member of the MultiState reporting team will review the information and, after obtaining your signature where required, will prepare, file, and send the reports to the applicable agencies. This provides you with the security of knowing your documents are filed correctly and on time.

Scope of Services

While we offer a vast selection of legal materials and information on our website, our website is not a substitute for actual legal advice and counsel directed at your specific situation. For more information, please visit www.multistate.com.
